WORK EXPERIENCE

Software Developer (FrontEnd)

Dec 2024 – Jun 2025

SundayTech

Turbhe, MH

- Worked on **Deloitte – LADM**, a government project for **Coal India**, managing land acquisition processes from five villages to support mining operations.
- Built the **Landowner Panel**, a robust module empowering landowners to seamlessly manage grievances and track survey details with enhanced efficiency.
- Developed reusable and scalable UI components with **React.js** and **TypeScript**, ensuring maintainable, consistent, and high-performance code.
- Optimized app performance through lazy loading, memoization, and efficient **Redux** state management.
- Integrated **RESTful APIs** for real-time data rendering, significantly enhancing app responsiveness and user experience.
- Ensured mobile responsiveness and improved web performance with **Tailwind CSS** and **Sass**.
- Collaborated with UI/UX designers, backend developers, and QA teams to ensure seamless integration and deliver high-quality, bug-free releases.

FrontEnd Developer - Intern

Aug 2024 – Dec 2024

SundayTech

Turbhe, MH

- Contributed to the development of the **Transporter Management System (TMS)**, a flagship product of Sunday Tech, designed to streamline transportation operations and enhance overall organizational efficiency.
- Developed intuitive, user-friendly interfaces using **React**, **TypeScript**, **Tailwind CSS**, **Redux**, and **React Hook Form**, optimizing both functionality and user engagement.
- Strengthened **cross-browser compatibility and accessibility**, resolving UI inconsistencies for a seamless user experience.
- Collaborated in **Agile sprints**, delivering high-quality solutions on time and contributing to the system's continuous improvement.

SKILLS

- | | | |
|------------------------|-------------------|--------------------|
| • React | • Redux | • CSS3 |
| • TypeScript | • JavaScript | • RDBMS (Postgres) |
| • Tailwind CSS | • NoSQL (MongoDB) | • Unit Testing |
| • Node.js / Express.js | • HTML5 | • Version Control |

EDUCATION

S.K Somaiya College

Sep 2021 – Mar 2024

Bachelor of Science in Information Technology

Vidyavihar, MH

SRM Institute of Science and Technology

Jul 2025 – Present

Master of Computer Application

Chennai, TN

CERTIFICATIONS

Full Stack Development Internship Program

Mar 2024 - Jul 2024

Smartbyte
